Ski tour to switzerland and back

On the ski tour around the imposing Madrisa, you will experience the beauty of Gargellen's local mountain from a very special perspective. Together with your Montafon mountain guide, the route takes you from the mountain station of the Kristallbahn cable car up to the St. Antönier Jöchle, which marks the border with Switzerland. From up here, you can enjoy an impressive panoramic view of the surrounding mountain peaks. Now skilfully carve your turns in the snow and enjoy a 900-metre descent into neighbouring Switzerland before continuing on to Klosters by bus and Rhaetian Railway. With unforgettable impressions in your luggage, the route takes you back to Gargellen via the Schlappinerjoch.
