Tour description

St. Anton am Arlberg Dorfstraße - Verwallsee - Sattelwaldweg - Moosbach - Friedhof - St. Anton am Arlberg Dorfstraße

As part of the Montafon Arlberg Marathon, the Panoramatrail also offers a great experience for beginners and hobby runners. After the start signal in St. Anton am Arlberg, the route ascends towards Verwallsee and then follows the marathon route via the Sattelwaldweg back to the starting point. Before you can celebrate at the finish, the descent into the valley demands your highest concentration. Of course, this route can be done all summer long.
