EINKEHRMÖGLICHKEIT

Tour description

A high-alpine and technically challenging mountain bike tour to the Wiesbadener Hut, offering impressive views of Piz Buin and the Ochsental Glacier.

The Silvretta High Alpine Road is expected to remain closed until summer 2030. This is due to several rockfalls and mudslides since 2024, as well as the extensive construction and protective measures required as a result. Therefore, this tour is currently only possible via the Ganifertal. You can find a detailed description of the tour [HERE](#).
