Directions

The path starts at Zeinisjoch. From here, it goes relatively quickly uphill to Zeinissee. The trail leads us with a steady up and down to Verbella Alpe, with the last section on a gravel road. Behind Verbella Alpe the path continues towards Neue Heilbronner Hut. After the second ascent of this route, the path continues relatively flat on the gravel road. The last section before the hut goes quite steeply up again. We hike back to Kopssee on the same path.
