Tour description

A scenic village loop through the Ill-Au, past pastures, barns, and farms, that gives you a glimpse into the agricultural character of St. Gallenkirch.

This loop takes you through the diverse cultural landscape around St. Gallenkirch. Amid widely scattered houses and farms, pastures, and gardens, it becomes clear just how strongly agriculture continues to shape the town's character to this day.

Shady forest trails along the Ill River alternate with open meadow paths and views of St. Gallenkirch. A leisurely walk that's particularly well-suited as a relaxing way to end the day.

What is the Montafon Alpine Mosaic?

The Montafon Alpine Mosaic showcases the scenic diversity of the Montafon. Four exploration areas—Verwall, Silvretta, Rätikon, and the valley—reveal how geology, nature, and the cultural landscape are interconnected.

Along 34 themed trails, you can discover the unique features of these diverse landscapes. Starting points, themes, and stories along the trails continually offer you new perspectives on the Montafon.

So: Choose an exploration area, lace up your hiking boots, and discover the diversity of the Montafon step by step.
