From the Wormser Hut, the path leads up to Kreuzjoch and then down to Furkla (Grasjoch). Afterwards, there is a slight ascent to Wormser Törl and onwards to Roßbergjoch. Over further ups and downs, the path runs below the Valschavieler Maderer through the breathtaking highlands of this valley. For the last section, we recommend the path via the Gaschurner Winterjöchle with the beautiful Kessisee and Valschavielsee. The route over the Valschavieljöchle would be somewhat shorter, but not as beautiful.

Alpine mountain path - may include safety ropes and foot aids!
