The Montafon Arlberg Marathon powered by Sparkasse starts again in 2024 in Silbertal in Montafon and ends in St. Anton am Arlberg. Away from roads, we run on forest and hiking trails through the Natura 2000 area Verwall. After the start at the fire station in Silbertal and a loop through the village, the route passes the alpine hut Fellimännle and the Gafeluna Alp to the Fresch Alp. At Langsee, you then cross the most scenic border between Tyrol and Vorarlberg. Afterwards, the last strength is mobilized through the Verwall valley for the short ascent via the Sattelwald path, before you can celebrate your finish through the village.
