Tour description

Aktivpark Montafon - Schruns - Montjola - Gasthaus Fischerstöbli - Plattaweg - Bartholomäberg - Fritzensee - Almeinweg - Gaflätzweg - Hunting Lodge - Fritzensee - Neyers-Legi - Linda - Bartholomäberg - Buxwaldstraße - Plattaweg - Grünerwaldweg - Montjola - Schruns - Aktivpark Montafon

The region around Bartholomäberg, considered the cradle of the Montafon, impresses with its unique combination of cultural history and scenic diversity. In the Friagawald forest, traces of a 3,500-year-old settlement can be found, revealing the early settlement history of the area. Along the way, there are always wonderful views, including the impressive Baroque church of Bartholomäberg and the picturesque Fritzensee, which offers a spectacular view of the Rätikon.

The route features several challenging climbs as well as varied sections of gravel and paved paths. Special caution is required in the Neyers Legi area: the steep gravel section demands adjusted speed and, if necessary, pushing the bike.

Since the route is also heavily frequented by hikers, mutual consideration is essential. Furthermore, the route passes through a hunting area around Fritzensee, Falla, Küngsmaisäß, Alpe Latons, and Rellseck. To protect the wildlife, it is recommended to avoid activities like hiking or (e-)mountain biking in this area during quiet times (October 10 to 24 from 5:00 pm to 8:00 am, from October 25 until approximately mid-December from 4:00 pm to 8:00 am).

Thank you very much for your understanding and respectful behavior in nature!

Approach

Take the A14 to the Bludenz/Montafon exit and continue on Montafonerstraße L188 to Schruns. Federal road L188 leads you directly to Aktivpark Montafon, which is on the right side of the road.

Parking

At the Aktivpark Montafon in Schruns-Tschagguns.

Directions

From Aktivpark Montafon, the route leads you through the Friagawald forest, past the Baroque church of Bartholomäberg, to the picturesque Fritzenssee with views of the Rätikon. From there, the path winds further to the hunting lodge before returning via varied gravel and paved paths to the starting point.

Equipment

Spare battery, charger, bike helmet, day cycling backpack (approx. 20 liters) with rain cover, comfortable sports shoes, optionally cycling shoes, weather-appropriate and durable clothing in layers, optionally cycling jersey, optionally cycling gloves, air pump, bike tools, sun and rain protection, provisions and drinking water, water bottle with suitable holder, first aid kit, pocket knife, mobile phone, optionally phone holder for the handlebar, optionally headlamp and reflectors, map material

Tips

Plan your route so that you respect the quiet times in the hunting area and be sure to adjust your speed in the Neyers Legi area – if unsure, rather push your bike.

Free activity map for (e-)mountain biking available at all Montafon tourism offices.
