Einkehrmöglichkeit

Tour description

A varied high mountain route in the Rätikon. With a breathtaking view, it goes through the Lünerkrinne to the Lünersee and along the shore of the lake to the Totalphütte at the foot of the Schesaplana.

A route for mountain lovers who appreciate the natural beauty of the mountains as well as refined, regional cuisine. The hiking trails lead through the varied Rätikon. The limestone rock of the Rätikon in contrast to the blooming alpine meadows on the steep mountain walls shape the character of this stage.
