More adventures await there: Take the Flying Fox across the lake, put your skills to the test at the Waldseilpark, and finally ride the Alpine Coaster Golm down to Vandans.

What is the Montafon Alpine Mosaic?

The Montafon Alpine Mosaic showcases the scenic diversity of the Montafon. Four exploration areas—Verwall, Silvretta, Rätikon, and the valley—reveal how geology, nature, and the cultural landscape are interconnected.

Along 34 themed trails, you can discover the unique features of these diverse landscapes. Starting points, themes, and stories along the trails continually offer you new perspectives on the Montafon.

So: Choose an exploration area, lace up your hiking boots, and discover the diversity of the Montafon step by step.

Getting to the Starting Point

Getting to the Starting Point

The starting point for the tour is the Golmerbahn Berstation (Grüneck). Please note the Golmerbahn's [operating hours](#).

By public transportation:

The Montafon regional bus and the Montafonerbahn provide convenient and flexible travel throughout the valley. Trains and buses run regularly between the towns, every half hour or every hour depending on the route. You can find your connection [HERE](#). Bus stop at the start/end of this tour: Latschau Golmerbahn

By car:

Take the A14 to the Bludenz/Montafon exit, then follow the Montafonerstraße L188 to Tschagguns. From Tschagguns, you'll reach the higher-elevation village of Latschau. Parking is available at the Golmerbahn.

Important Information

For the hike, we recommend wearing shoes with good traction and appropriate clothing. Depending on the weather, you should also bring sunscreen and rain gear.

Tips

If you'd like to make your trip even more exciting, there are plenty of other adventures to enjoy in Latschau: Cross the lake on the Flying Fox, soar high above the forest at the forest rope park, and zoom down into the valley toward Vandans on the Alpine Coaster Golm. These additional activities are not included in the hiking pass and cost extra.
