Tour description

An exceptionally impressive snowshoe hike. Scenic, you will be guided in a circular route from Kristberg into seclusion and back. This route can definitely be classified as a true pleasure tour! The start of this snowshoe tour is at the mountain station of the Kristbergbahn. Passing the Panoramagasthof Kristberg, the first section of your route leads uphill towards Ganzaleita. At the summit or the highest point of the route, you have a wonderful view into the Klostertal and the Rote Wand. Take the opportunity to enjoy the complete silence of nature. You get a wonderful view of the Rätikon. From afar, the mighty and well-known mountains such as the Sulzfluh, Drusenfluh, 3 Türme, and the lovingly called Montafoner Matterhorn, the Zimba, can be seen. Enjoy this view of the Rätikon and the unique mountain world. The way back to the mountain station Kristbergbahn goes via the Waldschule. Here, you pass the Panoramagasthof Kristberg again.
