## Tour description

### Kirchplatz Schruns - Kropfen - forest path - Kapellrestaurant

The hiking trail is very suitable for families and children, as it is mainly located in the forest. Partly, the path follows a small creek. At the mountain station, Hugo's colorful mountain world for children is available, as well as another playground at the Kropfen inn at the middle station. The Kapellrestaurant offers a large panoramic terrace with a fantastic view of the surrounding mountain landscape. (Observe the Hochjoch Bahn opening times)

## Directions

The hike starts in the center of Schruns and leads between the town hall and Hypobank past the parish hall and mini golf course to the valley station of the Hochjoch Bahn. Then follow Bergbahnstraße and the cemetery wall to its end. At the fountain, turn left and follow the narrow path uphill to Hofweg. Then cross the paved road and follow the signs towards Kropfen. Up to Kropfen (middle station of the Hochjoch Bahn), sections alternate between paved road and narrow meadow paths. At the Kropfen inn, you can take a break and enjoy the wonderful view of the surrounding mountains. Refreshed and strengthened, continue further. The last altitude meters are made via the "Waldwegli" uphill to the Kapellrestaurant (mountain station Hochjoch Bahn). A narrow mountain hiking trail runs mostly through forest sections. On one section, a small creek will accompany you. Return by the Hochjoch Bahn back to the valley.
