Directions

You walk downstream and turn right immediately after the sports field. It goes uphill over the slope to the intersection (WiÄŸli). Follow the path to the right and you reach Burgkopf. It continues straight through the forest. A little later you reach the hiking trail that comes up from the open-air stage of the Montafon Saga Festival. Turn right and follow the hiking trail further downstream. After a short, slightly steeper section, you reach the Teufelsbach waterfall a few minutes later. The loop continues downstream to the bridge. Cross the gravel road on the other side back to the "Felsa parking lot" at the height of the open-air stage of the Montafon Saga Festival. Once there, you cross the bridge again and follow the same path along the Litz back to the starting point.
