Directions

The route starts at the sports field in Silbertal and follows the Litz downstream towards the center. At the Kirchbrücke you turn right, cross the Litz bridge, and shortly afterwards turn into Buchenstraße. You pass directly by Hotel Hirschen. A few meters later, turn right into Kristbergstraße. Follow Kristbergstraße uphill. Slightly above Silbertal, turn right again and follow the narrow steep mountain path in switchbacks uphill towards Kristberg. You reach the area "Fula" and follow the signpost towards "Schöni" and Stieralpe to the right. You pass the first exit point "Schöni" of the Kristbergbahn. Through forest sections and on a wide path you reach Buchen. At the signpost, orient yourself towards "Bärenschlager" and Innerbuchen. Upon reaching Innerbuchen, follow the forest path down into the Bärenschlager area. Cross the bridge and then go right on the wide gravel path back. At Bannwald bridge, turn left passing the Teufelsbach waterfall. A little later you pass below the Montafoner Sagenfestspiele (open-air stage). Shortly after you return to the starting point.
