Tour description

Herb path "Probiar Amol" - Experience the most diverse herbs during a village walk

Do you know what the herbs look like? Do you know their effects? Come closer and immerse yourself in a new, diverse world of herbs.

In Partenen you will find the most diverse herbs in a variety of gardens. You will find culinary herbs, medicinal herbs for teas and ointments, etc., or different fruits to smell, taste, or eat. A metal/wooden sign shows you that you are in the right garden. The names of the herbs are, of course, labeled almost everywhere.

Note: The individual herb gardens are only "cultivated" from June to early September. Those who want to see the herbs in full splendor should walk the herb path within this period. After that, the harvest takes place and cooler temperatures prevail.

Approach

Take the A14 to the Bludenz/Montafon exit and continue on Montafonerstraße L188 to Partenen.

A few meters past Gasthof Partenerhof on the right side is the Bischof-Rudigier-Platz. To the left of it is the Vallülasaal with the energie.raum.

Public transport

Just leave your car standing

The regional buses operate throughout Montafon. The main lines run every half hour from Schruns station.

Bus stop at the start/finish of the route: **Partenen Gasthaus Partenerhof / Line 650**

Parking

Directly at the Bischof-Rudigier-Platz

Directions

The starting point is Bischof-Rudigier-Platz in Partenen, opposite the Vallüllasaal (energie.raum). From there the herb path leads towards the church and further to the junction at the "Gafadura" bridge. You now cross the bridge, follow the road and at the end of the road turn right. From there you can take a pleasant path along the stream downstream until you reach the swimming pool. You now cross the main road and, arriving at Dorfstraße, the path continues downstream to Hotel Zerres. Directly at Hotel Zerres you cross the main road again and follow the "Ill" stream back. After the power plant you cross the main road again, turn right to the fire station, and then turn left over the playground of the elementary school to the starting point Bischof-Rudigier-Platz.

Herb boxes:

Chantal Hidber – Hotel Zerres – culinary herbs

Gerhard Blaas – wormwood, lemon balm, lavender, peppermint

Kurt and Christine Klehenz – Alpenchalet Breitspitz – raspberries and blackberries

Tips

A visit to the energie.raum (opposite Bischof-Rudigier-Platz) is highly recommended

The energie.raum is a combination of exhibition and museum on the topic of hydropower and Montafon. Admission free <https://www.illwerke.at/energie-raum.htm>

Here you will also find a toilet

The Illwerke Park Partenen, right next to the Tafamuntbahn, is also a very nice place where you can relax very well.
