Tour description

A varied high mountain route in the picturesque Rätikon. With a breathtaking view, it goes over the Rellstal to the Heinrich Hueter Hut.

A route for mountain lovers who appreciate the natural beauty of the mountains as well as refined, regional cuisine. The hiking trails lead through the varied Rätikon. The limestone of the Rätikon in contrast to the blooming alpine meadows on the steep walls of the impressive Zimba shapes the character of the first stage up to the Heinrich Hueter Hut.
