

From Obere Sporaalp to the Drusentor (Bike and Hike)

MODERATE

Tour description

Varied hike from the end of the bike route at Obere Sporaalp up to the Drusentor – the impressive crossing between Montafon and the Swiss Prättigau. An alpine nature experience in the middle of the Rätikon.

This bike and hike route takes you from Obere Sporaalp to a special place in Montafon: the Drusentor (2,341 m). The pass lies right on the border with Switzerland and offers a magnificent panorama – of the Rätikon and Verwall.

From the bike and hike stand, continue on foot: first over a rocky path and eventually through high alpine terrain with wide views. The Drusentor is ideal for anyone who wants to experience the alpine landscape in its original state.
