Tour description

Aktivpark Montafon - Schnurs - Kropfen (mid-station Hochjoch Bahn) - Vorderkapellalpe - same way back

At Schnurser Hausberg, the biker is immediately challenged physically. With gradients of up to 20%, it goes up to Kropfen. Then a forest path leads through beautiful woods that repeatedly offer breathtaking views into the valley and the surrounding mountain world. Families of bikers are awaited at the top station of the Hochjoch Bahn by "Hugo's Colorful Mountain World" and the Kapell restaurant. The Vorderkapellalpe is also operated during the alpine season.
