

Latschau Via Ferrata and Climbing Area

EASY FAMILIENFREUNDLICH

Tour description

An easily accessible practice via ferrata right by the reservoir in Latschau, which is also suitable for beginners.

Located right next to the reservoir in Latschau, the practice via ferrata (A/B) at the Latschau climbing area is the ideal place for people of all ages to practice using a via ferrata set and climbing via ferrata routes. We recommend tackling it as a loop starting from the left and heading right, during which you'll also cross two small rope bridges. You can exit (head back up) at any time. Plus, the view of nearby Zimba—the Matterhorn of the Montafon—is a real draw.
