Via Alpina - Montafon - St. Antönien to Gargellen

DIFFICULT | EINKEHRMÖGLICHKEIT

Tour description

Border crossing. From St. Antönien, the further route leads you over the St. Antönier Pass (border between Austria and Switzerland) down to Gargellen.

A route for mountain lovers who appreciate the natural beauty of the mountains as much as refined, regional cuisine. The hiking trails lead through the varied Rätikon. The limestone rock of the Rätikon in contrast to the blooming alpine meadows on the steep walls of the impressive peaks Sulzfluh, Drei Türme, and Drusenfluh shape the character of this hut-to-hut hike. Past the Lünersee, you can experience hydropower up close, and with an overnight stay in Switzerland, you get to know the Prättigau.

Important: For this demanding route, you should plan your personal daily sections and reserve the overnight stays in the huts in advance!

05:15 h duration	10,5 km Length
2377 m Highest point	1408 m Lowest point
963 m Ascent	968 m Descent

Tour type Mountaineering, Refreshment stops
