Tour description

A scenic village loop through the Ill-Au, past pastures, barns, and farms, that gives you a glimpse into the agricultural character of St. Gallenkirch.

This loop takes you through the diverse cultural landscape around St. Gallenkirch. Amid widely scattered houses and farms, pastures, and gardens, it becomes clear just how strongly agriculture continues to shape the town's character to this day.

Shady forest trails along the Ill River alternate with open meadow paths and views of St. Gallenkirch. A leisurely walk that's particularly well-suited as a relaxing way to end the day.
