Tour description

A scenic bike route through the Maisäb landscape of Montafon.

This varied route combines relaxed cycling with impressive scenery. From Aktivpark Montafon in Schruns-Tschagguns, you start leisurely along the bike path to Vandans. The Ganeu service road takes you through an idyllic environment with forests, meadows, and the traditional Maisäb settlements of Montafon.

A refreshment is offered at Haus Matschwitz before you continue along the Gafazut path. Past the Gampadels reservoir, you finally reach Bitschweil, where the winding and narrow Bitschweilstraße leads you back to the starting point at Aktivpark Montafon.

A route that perfectly combines scenic highlights and Montafon authenticity.
