DIFFICULT

Tour description

St. Anton am Arlberg Dorfstraße - Verwallsee - Schönverwall - Langsee - Fresch Alpe - Lower Gafluna Alpe - Gasthaus Fellimännle - Teufelsbach Waterfall - Silbertal Fire Station - Kapellbahn - Hofstatt - Silbertal Fire Station

Already at the end of the 18th century, the route over the Silbertaler Winterjöchle was used as a connection between Vorarlberg and Tyrol. The 42.195 km in a dreamlike setting run from the start in Silbertal away from car roads over forest and hiking trails to St. Anton am Arlberg. Enthusiastic spectators as well as fame and honor await the participants at the finish - because every finisher is a winner! Of course, this route can be done all summer long.
