Tour description

Summit route with magnificent panoramic views

The Bike & Hike route to Davennaspitze combines the best of both worlds: You start by bike from Aktivpark Montafon and reach Alpplegi via varied paths. There you securely leave your bike at the Bike & Hike stand and continue the route on foot. In about 1 hour and 30 minutes, you will reach the summit of Davennaspitze, which rewards you with an impressive panorama – from the valleys of Montafon, Walgau and Klostertal to the mighty mountain ranges of the Rätikon.

Note: Most of the route runs on asphalt and offers little shade. Therefore, plan enough water and sun protection to enjoy the route comfortably.
