Tour description

A short panoramic hike over Kreuzjoch and Zamangspitze, offering breathtaking views of the Montafon mountains as well as the Verwall, Silvretta, and Rätikon ranges.

On this scenic hike, you'll reach two peaks: the Kreuzjoch at 2,398 meters and the Zamangspitze at 2,387 meters. From here, you'll enjoy a sweeping view of the Montafon mountain landscape, including the high, rugged peaks of the Silvretta, the upper Silbertal valley in the Verwall, and the striking limestone peaks of the Rätikon.

The Grasjoch Bahn and the Hochalpila Bahn will take you to the starting point of the hike. This way, you can enjoy the high altitude and the panoramic views without having to tackle a long ascent first.
