

T33 Trail 33 km (Montafon Arlberg Marathon Start Silbertal)

DIFFICULT

Tour description

Fire station Silbertal - Teufelsbach Waterfall - Fellmännle Inn - Lower Gafluna Alp - Fresch Alp - Langsee - Schönverwall - Verwallsee - Dorfstraße St. Anton am Arlberg (festival grounds)

The shorter version of the Montafon Arlberg Marathon also invites hikers and walkers to a breathtaking day route from Silbertal to St. Anton am Arlberg. The mountain trail over the Silbertaler Winterjöchle past waterfalls, alps and lakes is probably the most beautiful way to cross the state border from Vorarlberg to Tyrol. Of course, this route can be done throughout the entire summer.
