Tour description

Accessible and short panoramic route at Bartholomäberg.

From the parish church along the panoramic road to Hotel Fernblick and back.

An impressive, accessible, and short route in a quiet location – ideal for wheelchair users, families with strollers, or anyone who wants to go leisurely and without incline. The route runs along the panoramic road with a splendid view over Montafon and invites you to a cozy stop at the end of the return journey at the "Café am Widum" in Haus St. Anna.

Those who wish to continue at Hotel Fernblick can extend the walk along the panoramic road to Gasthaus Mühle – this adds about 1.8 km there and back (total about 4.4 km).
