

Montafon Valley Trail | Schruns to St. Gallenkirch

MODERATE

ALPENMOSAIK - TAL

Tour description

The Talweg trail brings the valley's natural environment to life and takes you from Schruns across the sunny side of the Montafon and along the Ill River all the way to St. Gallenkirch.

The Montafon Valley Trail brings the valley's habitat—with its villages, scattered settlements, and agricultural lands—to life. It reveals just how closely the cultural landscape is intertwined with the lives and livelihoods of the people of Montafon.

The former Via Valtellina trade route is another historical feature of the tour. Especially in the morning, the trail offers pleasant, shaded, and cool stretches and repeatedly provides beautiful views of the Montafon landscape.
