

Montafoner Rätikonrunde | Douglass Hut to Carschinahütte (CH)

DIFFICULT ALPENMOSAIK - RÄTIKON

Tour description

A varied high mountain route in the Rätikon. With a breathtaking view, it goes over the Gafalljoch on the Swiss side to the Carschinahütte.

A route for mountain enthusiasts who appreciate the natural beauty of the mountains as well as refined, regional cuisine. The hiking trails lead through the varied Rätikon. The limestone rock of the Rätikon in contrast to the blooming alpine meadows on the steep walls of the impressive peaks Sulzfluh, Drei Türme and Drusenfluh shape the character of this hut hike. Passing the Lünersee you can experience hydropower up close and with an overnight stay in Switzerland you get to know the Prätigau.

Important: For this challenging route you should plan your personal daily stages and reserve the overnight stays at the huts in advance!
