

To Heimspitze - hiking enjoyment from Vergaldaalpe

DIFFICULT

Tour description

Start your hike from Vergaldaalpe and enjoy the path through alpine landscapes to the impressive Heimspitze.

The hike to Heimspitze begins at the idyllically located Vergaldaalpe, which you can reach on foot or comfortably by mountain bike. For cyclists, there is a practical Bike & Hike stand directly at the alpine pasture (during the alpine season) to securely park your bike before setting off on foot.

From the alpine pasture, the hiking trail leads through impressive mountain landscapes up to the 2,685-meter-high Heimspitze. The ascent rewards you with a magnificent view of the surrounding Montafon peaks. After the summit experience, Vergaldaalpe invites you to stop for a break. Here you can strengthen yourself with regional specialties before heading back down to the valley in a relaxed manner. A route that ideally combines exercise, enjoyment, and nature experience.
